CUMMING GROUP EMEA APPOINTS FORMER JLL INTERNATIONAL DIRECTOR TO HEAD OF CORPORATE SOLUTIONS ROLE

LONDON (Thursday 28 July 2021) – Property and Construction Consultant, Cumming Group EMEA has appointed former JLL International Director, Shelley Frost to the newly created role of Head of Corporate Solutions.

In her new role, Frost will develop and lead work with corporate occupiers in the UK and across Europe, building on her extensive corporate occupier experience and on the portfolio held by colleagues in the U.S. She will lead a team focussed on capital projects, supporting clients as they look to adapt their occupational portfolios to ensure a sustainable and successful future for both their employees and their customers. Frost joins with over 25 years' experience working in the real estate and construction sectors where clients have included Barclays, Shell and Microsoft. James Morris, Chief Executive, Cumming Group EMEA, said:

“Shelley’s extensive global real estate advisory experience is an excellent addition to the team as we continue to strengthen and grow our portfolio in the UK and across Europe. Her expertise across the entire lifecycle of real estate development enables her to find effective solutions for her clients’ most difficult challenges, resulting in the best possible outcome for all parties involved.”

Shelley Frost, Head of Corporate Solutions, Cumming Group EMEA, said:

“I am joining at an incredibly exciting and challenging time for the corporate occupier market. Working with colleagues and clients from across North America and Europe we will pool our experiences, challenge the norm and bring innovation from other sectors. No project or organisation is the same and I am looking forward to working with exceptional and experienced project managers and cost consultants to deliver outcomes that make a tangible difference to our clients’ businesses.”

With a portfolio of more than 200 corporate projects – from tech campuses and office buildings to R&D facilities and data centres, Cumming Group has delivered millions of square feet of space with a combined construction value exceeding \$2.5billion.
